Report of the independent auditors

To the donors Mith Samlanh

We have audited the accompanying financial statements of Mith Samlanh ("the Organisation"), which comprise the statement of financial position as at 31 December 2014, and the statement of income and expenditure for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information as set out on pages 6 to 19. The financial statements have been prepared by the management of the Organisation based on the basis of accounting and the accounting policies described in Note 2 to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation of these financial statements in accordance with the basis of accounting and the accounting policies described in Note 2 to the financial statements, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Cambodian International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements of Mith Samlanh for the year ended 31 December 2014 are prepared, in all material respects, in accordance with the basis of accounting and the accounting policies described in Note 2 to the financial statements.

Basis of accounting and restriction on distribution and use

Without modifying our opinion, we draw attention to Note 2 to the financial statements, which describes the basis of accounting and the accounting policies adopted by Mith Samlanh. The financial statements are prepared for the information and use of the management and donors of Mith Samlanh. As a result, the financial statements may not be suitable for another purpose. Our report is intended solely for the management and donors of Mith Samlanh and should not be distributed to or used by any other parties.

Other matter

Our audits were made for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information included in Appendices A, B and C are presented for purposes of additional analysis, are unaudited, and do not form part of the financial statements.

The accompanying notes form an integral part of these financial statements.

Notes to the financial statements For the year ended 31 December 2014

These notes form an integral part of, and should be read in conjunction with, the accompanying financial statements.

1. Background

Mith Samlanh ("the Organisation") was established in 1994 in Phnom Penh, Cambodia, and works with vulnerable children/youths, their families and their communities. The Organisation registered as a local NGO with the Ministry of Interior on 11 February 2002, and is party to a Memorandum of Understanding with the Ministry of Social Affairs, Labour, Vocational Training and Youth dated 2 August 1999 and subsequently renewed on 8 December 2004.

The Organisation's objective is to reintegrate children and youths back into school, their families and communities so that they become active and productive citizens of their country. Since 1994, the Organisation has been working with children and youths to develop the best possible service to give them opportunities to go to school, learn a trade, find employment, recover from drug addiction and move away from life on the streets.

As at 31 December 2014, the Organisation had 282 employees (2013: 244 employees).

2. Summary of significant accounting policies

The following significant accounting policies have been adopted by the Organisation in the preparation of these financial statements.

(a) Basis of aggregation

The financial statements comprise the financial statements of the business and the Project, after elimination of all inter-organisation balances and transactions.

(b) Basis of preparation

The financial statements, which are expressed in United States Dollars ("US\$"), have been prepared in accordance with a modified cash receipts and disbursements basis of accounting. This is a basis of accounting that is designed to meet the requirements of the Organisation; it is not designed to produce financial statements that are compatible with International Financial Reporting Standards.

Under this basis of accounting, income is recognised when the Organisation receives funds in cash rather when it is earned. Expenditure is recognised when payments are made rather than when expenditure is incurred, except for the following treatments:

(i) Cash advanced to staff and suppliers are initially recognised as receivables in the statement
of financial position and only recognised as expenditure when they have been liquidated
by supporting invoices;

Notes to the financial statements (continued) For the year ended 31 December 2014

2. Summary of significant accounting policies (continued)

(b) Basis of preparation (continued)

- (ii) Inventories are recorded in the statement of financial position and stated at the lower of cost and estimated selling price less costs to complete and sell. The cost is calculated using a weighted average cost method, and includes the original purchase cost, cost of conversion and other costs incurred in bringing the inventories to their present location and condition;
- (iii) Receivables from sale of the Organisation's products is recorded in the statement of financial position until cash is received; and
- (iv) Professional fee, salary tax, gasoline and other payables are recorded in the statement of financial position until they are settled.

(c) Non-expendable equipment and freehold land

Except for freehold land, the cost of non-expendable equipment is charged to expenditure upon acquisition. For control and management purposes, a memorandum account for non-expendable equipment is maintained by way of a non-expendable equipment listing.

Freehold land is stated at cost and recorded as an asset in the statement of financial position. Freehold land is not depreciated.

(d) Foreign currency transactions

The Organisation transacts its business primarily in United States Dollars ("US\$") and maintains its accounting records in US\$. Transactions in currencies other than US\$ are converted into US\$ at the rates of exchange prevailing on the transaction dates. Monetary assets and liabilities denominated in currencies other than US\$ are translated into US\$ at the open market rates of exchange ruling at the year end date. Exchange differences are recognised in the statement of income and expenditure.

(e) Change in accounting policy

Accounting for inventory

On 31 December 2014, the Organisation changed its accounting policy by recognising inventories when they are purchased and recorded as cost of sales when they are used while last year inventories were charged to cost of goods sold upon purchase. The Organisation believes that recognition of inventories provides better management control and information of inventories. This change in accounting policy is applied prospectively.

9. Sale revenues

As part of its objective to integrate youths into the workforce and to increase the Organisation's sustainability, the Organisation has set up a number of businesses to train the youths under its care and also to generate income from business activities. The business activities consist of the following:

2014

		Fund balance			Into	er-business incom	e/	Fund balance
		1 January 2014	Income	Other income	Expenditure	(expenditure)*	Transfers**	31 December 2014

Notes to the financial statements (continued) For the year ended 31 December 2014

9. Sale revenues (continued)

(i) Friends N Stuff (Toul Tom Pong)

This Friends N Stuff sales outlet (formerly known as Community Based Business) is located in Psa Toul Tom Pong, also known as, the Russian Market. The outlet mainly sells home-based production products made by communities, as part of the Family Income Generation project enabling families to send their children to school instead of work on the streets or beg.

(ii) Friends N Stuff (Street no.13)

Friends N Stuff, established in May 2003 and located next to Friends the Restaurant, sells clothes, books, products made by families of vulnerable children in the Home Based production program (Community Based Business) and by former street youths in training and promotional materials such as T-shirts, posters, calendars and postcards. Beauty students also run the Nail Bar in this shop, providing manicures, pedicures, and nail art.

(iii) Friends N stuff (Romdeng)

This Friends N Stuff (Romdeng) sales outlet was established on 15 December 2011 and is located in Romdeng restaurant. The outlet mainly sells home-based production products made by communities, as part of the Family Income Generation project enabling families to send their children to school instead of work on the streets or beg.

(iv) Friends the Restaurant and Romdeng Restaurant

Friends the Restaurant serves Western and Asian Tapas and has been operating since February 2001. Romdeng specialises in Cambodian food and opened in December 2005. Both restaurants are run as businesses that provide students with hands on practical experience and generate income for the Organisation. The training restaurants and canteen provide hospitality training to 150 students each year with around 50 students in each level.

(v) Cookbook "Best of Friends"

The Cookbook "Best of Friends", established in December 2004, is sold in the Organisation's restaurants and shops to generate income for the Organisation.

Notes to the financial statements (continued) For the year ended 31 December 2014

9. Sale revenues (continued)

(vi) Training Centre

Training Centre offers nine vocational training workshops: cooking, welding, beauty, sewing, electricity, electronics, car mechanics, motorbike mechanics, and men's hair dressing to street youths (from age 15 to 24 years), building their self-confidence and developing marketable skills and leading gainful employment. To increase their business knowledge, students also have the opportunity to study small business management in addition to their chosen skills.
